

Does a stay in Gullkistan have influence?  
Here is information about some of the exhibitions,  
books etc our guests have told us about.

# Hello from Seattle!!!

How are you ladies? I wanted to let you know that I have been raving about Iceland and my experience at Gullkistan to all my friends and family. I have 5 friends that have bought tickets to Iceland since then and my friend Grace who is a writer in Seattle also did a [beautiful article](#) about my experience in Iceland and all that I've been up to this past year.

I've been dreaming of the ponies and the moss. sigh....

I definitely need to come back to Iceland someday. As for now, I'm back in the swing of things here, working, going to my favorite restaurants, dancing out with friends.

Hope all is well at Gullkistan!

Love, Rachel Rader
